The Presidential Primary Election is being held for the purpose of nominating candidates for the office of the President of the United States and to vote on the following proposal:

WASHTENAW COMMUNITY COLLEGE MILLAGE RENEWAL AND RESTORATION

This proposal authorizes Washtenaw Community College to levy 1.00 mill for operating purposes for 10 years. Of the 1.00 mill, 0.9718 represents a renewal of the 1.00 mill authorization approved by the electors in 2008, which will expire with the 2020 tax levy and 0.0282 mill represents a restoration of the portion of the same authority which was reduced by application of the Headlee Amendment.

Shall the limitation on the total amount of taxes which may be imposed on taxable property within the Washtenaw Community College district, State of Michigan, be increased by 1.00 mill (\$1.00 per \$1,000 of Taxable Valuation) for a period of 10 years, the years 2021 through 2030 inclusive, to provide funds for operating purposes? Of the 1.00 mill, 0.9718 represents a renewal of that portion of the 1.00 mill authorization previously approved by the electors as reduced by operation of the Headlee Amendment, and 0.0282 represents new additional millage in the amount equal to the amount reduced by operation of the Headlee Amendment. It is estimated that the 1.00 mill would raise \$17,500,000 for the College when first levied in 2021.

See www.washtenaw.org/elections for the official candidates list. A sample ballot may be viewed at mi.gov/vote
