2020 TAX SCHEDULE AND INFORMATION

Michigan Township Treasurers are responsible for collecting taxes on behalf of their own and other governmental units. The purposes and entities for which Augusta Township collects are listed on the tax bill in the DESCRIPTION column. The AMOUNT of tax due is calculated using the Taxable Value of Real (land and attachments to land) or Personal (possessions not attached to land) Property and the MILLAGE rates, as shown. If no millage rate is listed next to a description, that amount due is for a Special Assessment. Examples of Special Assessments are County drains, sewer and lighting districts within the Township and delinquent water bills. Most Special Assessments are billed on the Winter Tax bills.

Principal Residence (Homestead) Exemption

A Principal Residence Exemption (PRE) exempts a residence from the tax levied by a local school district for school operating purposes up to 18 mills. To qualify for a PRE, a person must be a Michigan resident who owns and occupies the property as a principal residence. Your PRE status is shown under the TAX DETAIL section of this bill. A PRE/MBT % of 100.0000 means that your property is exempt from school operating tax. Principal Residence Exemption (PRE) Affidavit forms are available at the Township.
