

Voting at the Polls

Do's and Don'ts

- Do:** **Check your registration and find your polling place** at Michigan.gov/Vote. If your registration is not up to date, visit your clerk's office immediately with proof of residency.
- Do:** **Bring photo identification with you.** If you do not have photo ID, you will need to sign an affidavit before voting.
- Do:** **Wear a mask and know that all election personnel are required to wear them.** The state has provided masks, gloves, hand sanitizer, cleaning protocols and social distancing guidelines.
- Do:** **Request use of the Voter Assist Terminal** if you have a disability or would prefer to use it.
- Don't:** **Speak to anyone who says they are a poll watcher or challenger.** They are not allowed to speak to voters. Report violations to an election worker immediately.
- Don't:** **Leave the polling place without voting.** The law requires that anyone in line by 8 p.m. be allowed to vote.
- Don't:** **Allow anyone else to cast your ballot for you.** It is your ballot and you must place it into the tabulation machine.

Report any voter intimidation, harassment or coercion you witness.

Notify an election worker or contact the nonpartisan election protection hotline at 866-OUR-VOTE.
