

Augusta Township 1<sup>st</sup> annual  
I don't want it, do you need it?  
Community Free for all.

June 26<sup>th</sup> 2021  
10 am – 5 pm

Here is the opportunity to clean out those garages and basements. Augusta Township is having it's 1<sup>st</sup> annual community free for all. It's simple and easy to participate. If you have items that you no longer want, set them near the road in your lawn or in your driveway and place a sign by it saying "FREE FOR ALL" between the hours listed above. Your neighbors can then drive around the township and pick up the items that they want.

But, please remember, as it is stated. Items are FREE to all. This is a good opportunity for neighbors to help each other after a long, hard, financially challenging year with items they may need.

\*Items must be removed at the end of the event.

So lets get busy showing some community love and unity while clearing out some no longer wanted or needed items.
