Parks and Pathways Millage Proposal

Shall the Charter Township of Augusta impose a tax increase on all taxable real and tangible personal property in the Township not to exceed .65 mills (\$.65 on each \$1,000.00 of taxable value) for a period of ten (10) years, 2022 to 2031 inclusive, for the purpose of providing a dedicated funding source to maintain nature preserves, parks, trails, recreational opportunities, including a network of non-motorized pathways in the Township? The estimated revenues raised in the first year by the proposed tax increase is approximately \$ 187,000.

If approved, the additional revenues raised allows the Township to take advantage of matching funds from Washtenaw County, the State of Michigan, nonprofits, and other partners.
