OPEN HOUSE

Augusta Township Master Plan Open House

Please join us on May 12, 2022 between the hours of 5PM and 7PM at the Augusta Township Hall meeting room to give your ideas on the future vision for Augusta Township. Come ready to discuss locations and types of future residential and commercial development, as well as areas within the Township that should remain preserved.

The Master plan is a general statement of the Township's goals and policies and provides a comprehensive view of the community's desires for the future.

The open house format allows for open dialogue on various topics, and participants are welcome to come and go as they please. No formal presentation will be given.
